## PRESIDENT'S REPORT

### LION PAUL RIPLEY

### FAREWELL SUMMER, WELCOME AUTUMN

Hello Lions, February is usually a quiet month, and it was, which gave us a chance to catch up on maintenance and progress with other projects down track. It was also the month where the new Board of Directors was elected by the club for the next Lions year commencing from July. To those that were successful, my hearty congratulations, I am sure you will have a good 12 months.

As the temperature has dropped climate-wise, the heat is still on regarding projects within our club, especially BBQ's. We have quite a variety of BBQ's during Autumn, including Coast FM, Compassionate Friends, Lions Biggest BBQ at Bunnings, Gunfire Breakfast at RSL, MADSAR and our own Swap Meet at Halls Head Shopping Centre. Remain in contact with PDG Peter Lamb for dates and times or via the calendar in the Bulletin. It is imperative that more members participate at these events for these to be a success. Remember "many hands make light work".

Unfortunately February was a bad month for me and also your secretary Wendy, as we were both stricken with a mysterious "bug", which forced us to quarantine ourselves from, not only the members, but our family and the public. We have missed Lions meetings and our social life has suffered. Hope to see you all in March. Many thanks for the flower arrangement that sits in the centre of our dining table.

Because of the seclusion from the club, I don't really have much to report on any events for the last month so hopefully the VP's Reports will fill you in with those details.

Quote for the month

**"Do it right. Do your best. Treat others as you want to be treated."**

Remember work safely, work smarter not harder and have fun.

Paul Ripley, President

**2020 AWARDS  
PRESENTATION**

**DISTRICTS 201W1 & 201W2**

**Saturday 9<sup>th</sup> May 2020**

**The Lions Children of Courage Award** Program is now established as an important and extremely worthwhile annual project of Lions Clubs International in Western Australia.

**The program was introduced in 1983 by Past District Governor Joe Mason OAM**, who saw a need to provide for an awards programme through which Lions Clubs in Western Australia could recognise a very special group of young Western Australians - and their families.

At that time, there were many awards that recognised the achievements of young people - except the children with “special needs”.

Since its modest beginnings, the Lions Children of Courage Awards has grown to be one of the most important annual events in the West Australians Calendar

**1ST VICE PRESIDENT'S REPORT  
LION BROOK ARELETTE**

**BBQ's** - The club has received correspondence for several BBQ's this year.

Coast FM will be holding their Annual Car Give away at Mandurah Mitsubishi on the **7<sup>th</sup> of March 2020**, starting at 7.00am and finishing at 13.30pm

On the **8<sup>th</sup> of March 2020** we have the Compassionate Friends, Walk to Remember BBQ, this will be held at the Dalrymple Park. You will need to drive into the carpark behind Dan Murphy's liquor store and drive down to behind the Rangers office, there you will find is a gateway to drive through. The gate will be opened at 9am and your attendance for this BBQ is required from 9.30am to 11.00am.

On the **15<sup>th</sup> and the 23<sup>rd</sup> March 2020**, we have the Halls Head Shopping Centre Swap meets again, PDG Peter Lamb will be managing these events whilst, Paul and Wendy are away, taking leave due to illness. Please watch out for the roster and place your name if available.

**March is proving to be busier than previous years, so please support the efforts of PDG Peter Lamb and help make this year, a successful one, BBQ wise. We have fantastic numbers for the BBQ cooking and serving, but the preparing prior to the bbq and the cleanup the following day is the bug bear at present. This is falling on the same shoulders each time, which is highly unfair, as most of us could be available to help with these tasks, The more help we get, the easier it is for the club as a whole to manage. Thanking you in advance for your help.**

**Recycle** - On Saturday the **7<sup>th</sup> of March 2020** we have our recycle day, at the shed. Paper recycle will see a new stack of papers prepared for sale, after four pallets were collected in February.

**Lions Mints** continues to be a strength from Mandurah Lions, Dick Ingle's contribution sees us have over 60 outlets across the Mandurah area. Thanks Dick and his helpers for their massive efforts here,

Lion Brook Arelette

## **2ND VICE PRESIDENT'S REPORT**

### **LION DES McLEAN MBE**

Tyson Williams - Tyson is back in home again, as his operation is now scheduled in May sometime, I will arrange for Lion Joyce Covell and myself a visit prior to our next meeting so i will report then, with an update on his progress in the meantime I took the family out on my boat the other day, they had a ball. SEE photos of the family boating outing courteous of Lion Des at the end his report

#### **Children of Courage**

We now have our children of courage candidates, Joshua who has Muscular Dystrophy, is aged 7 and his brother, William who is 9 years old and is totally protective of his brother, Joshua. Their Mum Michelle is ecstatic that they have been chosen to be our children of courage for 2020. Thanks to Lion Joyce Covell who came with me to these meetings.

#### **Of interest**

Muscular Dystrophy was investigated by a young researcher, Byron Kakulas back in the early 0970s, where he found the ALL the quokkas on Rottnest have MD. Later during a visit to Greece he went to an inland, where he found that a lot of the men had MD, the result was he wrote some 30 papers on the subject, explaining that MD is genetic. Moving, onto today, a pair of remarkable research scientists, Steve Wilton and Sue Fletcher, discovered a way to put a "band aid " on the broken Gene, halting the degeneration. HOW ABOUT THIS. Joshua will be the first boy in WA to receive this treatment, meaning he will never get any worse than he is at the first application of the drug.

His brother William is Joshua's guardian angel, at 9 years of age he has walked over 127 Kilometers to raise funds for MD, organised his school to do a walk of 9.7 K ( there are 97 Exons on the Dystrophen gene), he has held a BBQ at Bunnings and finally when some kids were bullying Joshua, "because he is different", William stepped between the bullies and Joshua and was hit on the head with a rock that was thrown at Joshua, William is a true champion and a very courageous young man.

**Flame of Remembrance** It was voted on that Lion Des continue with his negotiations with the City of Mandurah on obtaining a cost estimate, for the next six months then if we have not got any answers, we will then involve the media.

**Junior Public Speaking Project:** Lion Barry Simms spoke to the club regarding a Project that runs, successfully at his former club, Armadale/Kelmscott. It is a competition where Primary School Kids are taught the art of Public speaking. it would run for two terms and is aimed at building self confidence and esteem in kids, bringing out the best in them. **Barry with the**

backing of the club are keen to introducing this project and will start putting the wheels in motion to start this project.

## THE ROTTNEST SWIM

Not all things I do, is in my portfolio. On Saturday 22 Feb 0200 I was out of bed had breakfast, collected my crew then drove to the Swan Yacht Club, where we launched “Despicable” and then, its off to Cottesloe. Once at Cottesloe i collected our Swimmer Fiona and Paddler Ben and then it was off to “Rotto”. Boy can this lass swim, 5 hours 19 minutes later she ran up the beach to finish line, 7th overall in the female swimmer category, as this was a first time effort by Fiona, it was outstanding achievement. We overnighted at “Rotto”, before returning on Sunday morning, leaving me elated, but stuffed

## **3RD VICE PRESIDENT'S REPORT**

### **LION JOHN OSBORNE**

**SEA CONTAINER.** A little progress has been made towards getting the Sea Container on site. As mentioned at the last meeting, we are now in the process of obtaining a building permit and this includes having a building surveyors report, prepared for them.

**GUEST SPEAKER** Our next guest speaker will be on Tuesday 28<sup>th</sup> April 2020. Ewa Neal is the Regional Lead - Local Communities Coordination.

**HALL HIRE.** Lion Rob Garratt has provided details to the City to have the Hall listed on the Cities website. This has generated some enquiry. The idea is to find casual users to fill in the available vacant time slots.

#### **LIONS EYE HEALTH PROGRAM**

We now have a little knowledge on how this program operates following Luka's presentation at our dinner meeting. Some key points to be covered in getting this program up and running, firstly we need to approach the schools in the area to gauge their willingness to participate in the program. Then we need to train enough members, in the processes and procedures required for a successful screening program and lastly, finding enough members who would like to be a part of the program. Where you can help now is, to let Lion Graham Bateman know that you are interested in being a part of the Eye Health Team, then we need to find the \$9,000 or so to purchase the equipment for the project.

#### **MEMBERSHIP**

Membership Chairperson Ruth Norwell has distributed, 40 plus folders to the Senior Citizens centre and to the **Out of Doors group**. Out of Doors promotes activities for retired people to get them out of their house and involved in something. Maybe that something, can be Lions.

#### **SOCIAL ACTIVITIES**

The next event on our social calendar as set out at the beginning of this Lions' year is a **Car Rally on Tuesday 7th April 2020**, further details will be provided in March.

A further social event in early June is to be discussed with committee members at our upcoming Business Meeting.

## **GUEST SPEAKER**

Lion Luka Sevelj, from the Lions Club of Pinjarra, will speak to the club about the **Lions Eye Health Program - Australia**

A warm welcome was given to Lion Luka Sevelj, by the club after being introduced by Lion Evelyn Kelly.

Lion Luka then gave an informative address on the Children's Vision Screening and statistics that show that 1 in 5 Kids have an Undetected Vision Problem.

He demonstrated how the program worked, the use of the camera and most importantly the challenges of working with young children and resolving their issues.

Luka designed a detailed manuscript to assist clubs in conducting the project that was passed on to Lion Graham Bateman.

If the Club takes this project on, the next steps in the process are as follows;

- Contact all schools in our area to find out if they would like to be part of the eye screening program.
- Identify and train Screening Team.
- Prepare School Screening roster.
- Liaise with other clubs on Camera availability or the Club purchase one.

Lion Graham Bateman then gave a vote of thanks on behalf of the club for his informative talk on the Lions Eye Health Program-Australia, obviously a project Luka is passionate about. The club then showed their appreciation in the usual way

**JOKE TIME**

Murphy's wife was pregnant and now the baby was due. So he took her to the doctor and the doctor began to deliver the baby soon after. She had a little boy, and the doctor looked over at Murphy and said. 'Hey, Murphy! You just had you a son,!' Ain't dat grand!" Murphy got excited by this, but just then the doctor spoke up and said, "Hold on! we are not finished yet!" The doctor then delivered a little girl. He said, "Hey, Murphy! You got you a daughter, she is a pretty little thing, too...." Murphy was kind of puzzled by this, and then the doctor said, "Hold on, we not finished yet!" The doctor then delivered another boy and said, "Murphy, you just had yourself another boy!" Murphy was confused and said to the doctor, "Doc, what caused all of them babies?" The doctor said, "You never know Murphy, it was probably something that happened during conception". Murphy said, "Ah yeah, during conception." When Murphy and his wife went home with their three babies, he sat down with his wife and said, "Mama, you remember dat night that we ran out of Vaseline and we had to use that there 3-in-1 Oil."She said, "Yeah, I remember that night"

Murphy said, "I'll tell you what, it's a good ting we didn't use WD-40."

I'm so excited this morning because I have an appointment with my bank manager and after that I will be totally free and out of debt, I'm so excited I can hardly get my ski mask on...

**I was in the restaurant yesterday ,when I got the urge to pass wind. The music was really loud so I timed my gas release with the beat of the music.**

**After a couple of songs I started to feel better, I finished my coffee and noticed everyone staring at me**

**Then I suddenly remembered that I was listening to my Ipod.**

**LUCKY ME, IT'S A LEAP YEAR AND I'M EIGHTEEN**  
**1 IN 1461 CHANCE OR 0.68% OF BEING BORN IN A LEAP YEAR**

1966 - When i was 18 (really 41/2), I had a girlfriend, Denice, my own car, a Mark II Zephyr, played Hockey, Basketball and Badminton. I had to wait until I was 21 before I could legally have a drink and thankfully my birthday helped me miss out on going to the Vietnam War.

2020 - Now I am 18, legally, again I still have the same girlfriend, Denice (wife now) and I own my own walking stick, walking frame and on special occasions I bring out the wheelchair. I play crosswords, sudokus and kakuro puzzles. I can now legally have a drink, just can't remember where the pubs are. Ain't life Grand.      DaveK

## **Crimewatch Media Release “Do not Leave Children in Cars”**

### **Summer is now upon us and the temperature is rising.**

As you are aware our Crime watch committee have run continually a campaign “Do Not Leave Kids in Cars” to remind the public that they should not leave their children in cars. With the hot weather now upon us and the children returning to school. Please do not leave children in cars.

**ALSO REMEMBER YOUR PETS, THEY ARE JUST AS VULNERABLE**

We are issuing this notice to remind everyone to not leave children or elderly people in your car.

Every year, an estimated 5,000 children are rescued after being left unattended in cars. Leaving a child unattended in a car can be extremely dangerous. To show just how dangerous it is, celebrity chef Matt Moran was asked to cook us some lamb- in a car.

After 90 minutes parked at Bondi beach, the inside of the car was over 75 degrees and in Matt’s words, the lamb was “totally overdone”.

We are thrilled that this important message is reaching so many Australians as the weather starts to heat up for summer.

Why are children at risk?

1. **The temperature inside a parked car can be 20-30 degrees hotter than outside.**
2. Children cannot moderate their body temperature the same way adults can, which means that they are at increased risk of becoming dehydrated and experiencing life threatening heatstroke.
3. Cars heat up quickly, and most of the increase in temperature occurs in the first 15 minutes of parking the car.
4. Leaving the windows open has little effect on the inside temperature of the car.

*Remember that the sun can turn any car into an oven, so if you have to leave the car, always take the children with you. It is also a good idea to keep keys on you when unloading children and shopping bags from the car, to avoid accidentally locking the keys and your children inside.*

## Crimewatch Media Release “Keep Your Driveway Kidsafe”

### Urgent Alert

A frightening statistic has come to our attention, about children being killed or seriously injured due to driveway run overs.

Our associates Kidsafe Victoria have provided the following statistics.

On average, every year, 7 children aged 0-14 years are killed and 60 are seriously injured due to driveway run over incidents in Australia.

Most driveway run overs occur in the driveway of the child's own home, or in a friend or relative's driveway. The driver is usually a parent, relative or family friend.

In 85% of cases, the driver does not know that a child is close to the vehicle; they think they are being looked after elsewhere.

**Our Crime watch committee is totally shocked by this information and intends to continually run a “Campaign of Awareness “and ask that all Lions clubs come on board to support us to make our communities aware of this ongoing tragic situation**

## Where there's a need, there's a Lion.

Lions Australia is Australia's largest service organisation with more than 1300 clubs in Australia and Papua New Guinea. Lions Australia promotes youth, support medical research, provide aid to people with disability, community service and disaster relief

**Lions are friends, family and neighbours who share a core belief: community is what we make it.**

***LIONS, WE ARE ALL VOLUNTEERS***

***DEFINITION***

**Volunteer** - a person who voluntarily offers himself or herself for a service or undertaking.  
- a person that performs a service willingly and without pay.

**Volunteering** is giving of your time freely without being forced to do so.

Volunteers are all learners, not experts

Volunteers seek guidance, not hindrance

Volunteers seek advice, not criticism

Volunteers seek respect ,not disdain

Volunteers, at times will seek help, not obstruction

We are all volunteers in pride of Lions, we need to respect and help each other, we need to overcome personnel issues and remember, we are all volunteers working for a common cause and never forget why we joined Lions in the first place,

I know why I joined Lions;

- Learn new skills
- Share life experiences and skills
- Meet new people
- Make new friends
- Build my self confidence
- Have fun
- Socialise
- Stay active and engaged with the community
- Be proud to have join. the largest service organisation in the world.

With Lions, Volunteers can get involved in many facets of the Lions organisation, community projects, youth projects, raise funds for medical research, aid to people with disabilities, senior citizens and the Lions Foundations, so choose which area you find that interests you.

Drug Awareness was my first major project, that I was involved with, soon after joining the Lions Club of Mandurah in Feb 1986, a project that i was chairman of for a few years. it gave me confidence in public speaking which in turn lifted my self esteem.

## History of ALDAF

**The Australian Lions Drug Awareness Foundation Incorporated was founded in 1984 as the Lions – ADFA Foundation Inc** and was a joint project between the Lions of Australia, Papua New Guinea and Norfolk Island and the Alcohol and Drug Foundation Australia. There were members on the Council from both organisations. **In 1989 it was resolved to cease the joint venture and the current ALDAF was endorsed** by the Darwin Multiple District Convention in 1990. We continue to have some of the original ADFA representatives on the Board, but they are now honorary consultants.
