

BULLETIN

MAY 2018

“WELL DONE AND THANKS FOR YOUR ASSISTANCE”

Well done to all the Lions members who have assisted during our early morning MADSA BBQs at Halls Head shopping Centre starting at 5.00am. Our last MADSA BBQ, we donated our profit to the Lions Children's Cancer Foundation.

John Osborne described in detail the Australia Day Breakfast and how Woolworths and the Scouts supported us in this annual activity.

The Mandurah Lions Club presented the Woolworths manager, Jaydon Smith (see picture right) (with an appreciation certificate and Mandurah Bannerette. We also presented a Cheque for \$600.00 to Jeff Self (see picture right) from the Mandurah Scout pack for their assistance during the Australian day breakfast.

Our two portable fridges have arrived, courtesy of a grant from Alcoa and Des McLean's hard work. They will be of great assistance to us on all BBQ activities from now on.

John Osborne is following up the partial payment we received from Hogs Breath for our Santa activities and their unwillingness to pay us the full amount invoiced because they claim we didn't comply to our contract. More to come on this messy situation.

Our Changeover Night this year is on Friday, June 22, 2018 at the Mandurah Country Club starting at 6.45pm sharp.

All members and partners are invited and we need to know numbers of people attending by May 31 2018, so we can work out pricing and catering numbers for this occasion. Put the date in your calendars and prepare for the 2018/2019 Mandurah Lion's Board.

On Saturday, May 26, 2018 we are hosting and feeding 45 people who are riding from Busselton to Perth to raise funds on their ride for domestic violence. If you are available to come to the Den and assist us entertain these people on their ride against domestic violence please advise Rob or Paul ASAP.

Yours in Lions Rob Kelly.

DISTRICT EVENTS ON THE MENU

20 – Children of Courage Awards St Mary's School Karrinyup

JUNE 9 – District Awards Night Flying Angel Club Fremantle
10 – Cabinet Meeting Flying Angel Club Fremantle

L.Woodhead, Secretary.

Convention secretary Jim Foster brings us to speed on the Dolphin 2018 W2 convention

On behalf of the Convention Committee we thank you for taking the time to submit an early registration form for the 2018 Convention.

In acknowledgement of your Early Registration, I have attached our Convention Registration Form for completion and return.

We are well advanced with our preparations for the Convention. All catering is being provided by the Chef's at the Sanctuary Resort and we are assured of quality and quantity.

Planning for the Opening Ceremony, Flag Ceremony and Closing Ceremonies are well advanced.

The Remembrance Ceremony which will be held immediately prior to morning tea on the Saturday, promises to be very moving and respectful of our Passed Lions.

The Dinner and Entertainment on Saturday night

is one not to be missed. The dinner is promised to be a gourmet's delight.

We encourage you to complete your registration form as soon as possible, and send it back to the address shown or email it back to this email address.

If you require accommodation for the Convention, we strongly urge you to arrange this as soon as possible. Whilst Bunbury has many accommodation facilities, there is a major sporting event taking place on the Convention weekend so places are filling up. So please, do not leave it too long.

We look forward to seeing you at Convention.

Lion Jim Foster

Secretary Lions District 201W2

Lions sign turns to rags - we need to spend some money and upgrade

Our sign displaying the date and time that members do with newspapers and cans jobs is falling apart and badly needs to be replaced. Our camera person took the latest pics last Sunday. Perhaps we need to instal an upright sign that lights up at night and dispays both directions. Who knows?

Brook leads the chops campaign

Remove Watermark Now

There's in no doubt members of Mandurah Lions Club would have noticed the large story and picture about the "julike-mychops" campaign in last weeks edition of the Mandurah Mail. Brook organised the Ripleys, Madigan and the Arellettes to the Mandurah War Memorial to witness a planned interview with reporter Justin Rake.

Brook fired enough information at the reporter to fill a double page spread, but like they say in the classics not enough space to fill. Too bad.

Anyway the report has not slowed down our Brook he is detemrind to make the project a success. Raising \$500,000 is his target from supporters statewide ready to earn their chop by supporting Lions Childhood Cancer Research.

Brook told the reporter that we are starting a statewide drive with high hopes of launching it in the eastern states ASAP.

The program is designed to support those that already have contacted the disease.

About 950 children are dianosed with cancer each year and with medical research this has saved alot of those lives, but there is more to be done.

Pictured above Vikki Arelette, Wendy and Paul Ripley and Brook Arelette. Below Brook interviewed by Mandurah Mail's Justin Rake.

Ladies can participate by becoming a "Chop Cop". This where ladies involved within a company or wife/partner of a "Chopper" can fine fellow work mates for matters such as, not wearing his tie straight, not wearing ppe correctly, parking in the wrong spot, swearing within the work office is all ways a good one, chop cops can use their imagination as far as they see fit to help raise money for a Chop Grower or add to a company donation. How you can support us by becoming a Julikemychops Ambassador

We need men from Western Australia that are seen regularly and who are held in high regard within our sporting and every day lives. Ross, with your daily interaction on TV sporting news we believe you could promote the growing of chops including where fans of the Fremantle Dockers could access your page within the Julikemychops web site to make donations and access the links to learn more about childhood cancer and Genome sequencing the Garvan Institute are spearheading.

June 2018 will be the start of our campaign and sincerely hope you will join us as an ambassador. We can assure you Ross, 100% of donations are sent directly to the Garvan Institute and are tax deductible with receipts issued enabling claims for 2018 tax refunding.

Ross, I can be contacted anytime at morinfo@julikemychops.com.au or mobile 0438483091 anytime. Looking forward to discussing further. Thanking you Brook Arelette Chop Master/Campaign Director.0

julikemychops the begining

Raising much-needed funds for Childhood Cancer Research

Julikemychops is an initiative to raise money for the Childhood Cancer Research Foundation to give childhood cancer the chop.

Every year, more than 950 children are diagnosed with cancers, three will die from cancer every week. While 60 years ago cancer was a death sentence, today 8 out of 10 children survive thanks to medical research. Unfortunately, though, cure rates for a number of childhood cancers have not improved significantly over this time.

This makes cancer the biggest killer of children in Australia and only intense research in this field will help to change this.

The objective of Julikemychops is to raise \$500,000 over the month of June for the Australian Lions Childhood Cancer Research Foundation and to help achieve our goal we require your help.

HOW IT WORKS

Julikemychops encourages men of all ages in Western Australia

to grow "Chops" throughout the month of June and receive sponsorship from family, friends, work mates and businesses they may work for. To promote Julikemychops we will be approaching every business, sporting club, mining, construction sites, shopping centres, police stations, wherever there are males working we will approach them through internet, email and written information to get onboard for the Month of June and fly the flag for Western Australia.
