BULLETIN

SEPTEMBER 2017

PRICELESS

It was great to see an industrious group of Lions at the Den on Saturday 2nd of September going about their business. I arrived for a chat and cuppa and felt like a third wheel on a date because things just flowed. Well done to these hard workers for their continued effort and support of a great cause. Recycling can be a dirty and sometimes frustrating business.

The 100 year old celebration of the gold cake tins are on sale for \$22. Get in quick like me for the great gold tins. I bought mine on Saturday and they will not last. See Dick ASAP.

Ruth is working hard and organising our support for the riders this coming Friday. They are riding from Manjimup to Perth. The Lions assisting Ruth: a big thanks and your assistance on Friday from setting up at 3pm until 10pm makes it a long day. See you there if you are able at the Den.

A special note for your diary is Tuesday 12th September. Partners night and the 2nd VDG visit by Frank Camari and his wife Lion Irene. Please come along if you can and listens to this years address from the International President given by 2nd VDG Frank Camari.

The BBQ season is upon us so it is up to us to support our 3 Vice Presidents and take control of all BBQ requests this year.

On 9th September at 4 Lavender Gardens Halls Head a 10.30am set up for a 1.30pm service for up to 150 guests from The Early Learning Centre. Please put you name forward for this if you can assist.

This years Lions Convention is at Fremantle on 6/7/8 of October 2017. Please be available and put your names down for this annual event and learn more about how Lions function and meet fellow Lions from all over WA.

If you can assist Paul & Wendy in any way for the next month would be greatly appreciated in their sad event of Paul's mother passing away. This is how we show Lionism especially to our own Lion family. Our condolences to Paul & Wendy at this time in their lives.

SUPER HERO'S MEAL NIGHT

FRIDAY 8TH SEPTEMBER 2017.

We managed to put on a great meal for approx 30 Super Hero's, Adults and Children, who in turn gave us accolades for the lovely meal, outlined what they are all about and that they will be back next year.

The Lions who attended and made the night were Jean & Anton Erasmus, Wendy & James Milne, Jenny Ingle, Chris Harwood (Prospective New Member), Joyce Covell, Don McCarroll and Clive Cartledge. Thankfully for Clive to take charge as we needed to transport the Super Hero's from the Caravan Park and back, he then popped home for a shower came back to eat and tell them some bush poems. President Rob Kelly and Peter Lamb did help with set but could not stay the night.

The costing of the night totalled \$180 which was covered from part of funds made at the Cabinet Meeting Dinner and Morning Teas and lunches on the weekend of the 26th & 27th August, a total of \$369 in profit. Not counting the cost of power etc used. It was nice to know we made money then paid it out to Charity.

Dwellingup 100 Mountain Bike Classic

SATURDAY, 19th AUGUST 2017

The Lions Club of Mandurah were some of the volunteers at the Act-Belong-Commit Dwellingup 100 is WA's premier MTB event! With a choice of 4 distances Dwellingup offers nature at its best!

Western Australia's biggest mountain biking event will again come to the Peel Region this year, with the beautiful yet challenging terrain of Dwellingup and surrounding areas providing the setting for the Dwellingup 100 MTB Classic on Saturday 19 August 2017.

The charming country town of Dwellingup is located an hour and a half drive south of Perth. Set among pristine jarrah forest and water catchment areas, Dwellingup offers nature at its best. In 2017, the Dwellingup Community are going to provide activities for both participants and spectators. It is a initiative to get the local community involved and they love having the

opportunity to be involved in the event that invades their town once a year! We hope that you will get on board and support the community that supports your love for mountain biking.

For the spectators, special Saturday Market Stalls are going to be organised, the local RSL will be providing morning tea (Fresh Scones, Jam and Cream) as well as some other 'typical Dwellingup' activities.

The Lions Club Members who were the Parking Volunteers for the day, from Left Lions Des McLean, Bob Halford, Joyce Covell, Dot Saunders and PDG Neil Saunders with the team from Trail Day from MDWA absent Lion Margaret Halford who was still on Traffic Duties
