President's Report

Lion Clive Cartledge

outing while we serve the snags. I would like to set a target of \$3,000 for recycling this year, it is possible.

Our 1st VDG visit went well and it was good to hear him say we are rewarded for our work. And we must enjoy ourselves as Lions.

Thanks to all for your support and my thoughts are with all of us in our sad times and changes we must make.

See you at the functions prior to Xmas and wish you all well

Summer is now with us and all our activities are hotting up. As this is a holiday spot we must take advantage of the extra visitors and events.

Our first dinner meeting is the Xmas pageant make this an

1st Vice District Governor Grant Hewitt W2 Waroona with Club President Clive Cartledge at the Dinner Meeting 8th November 2016

1st Vice President's Report

Lion Robert Kelly

We are in the middle of the BBQ season. Thanks for all members help.

Our next BBQ is 4th December at Baptist School in Lakelands.

3pm set up for 4-6pm frenzy.

The pageant on the 13th December is a special meeting night selling at 4pm. Until late. See you all there.

All hands on deck.

The BBQ get to know your park on 20th November was a fantastic event. Clive and myself gave away about 300 sausages to families that really appreciated the feebie.

It was great to see hundreds of families at their local park playing sports organised by the council with stalls about the Mandurah council and a great afternoon was had by all.

We did manage to make a family happy because we lost one of our sauce bottles to someone who needed it more than we did.

Making money is not what it is all about. Sometimes we do what we always say. Lend 2 hands to the community.

2nd Vice President's Report

Lion Des McLean

The Raffle has already raised over \$3,000 in front already. Reminder to all members to return their raffle books ASAP.

Bendigo Bank will support in principle to the Van of the Austic child but at this stage does not know

3rd Vice President's Report

Lion Paul Ripley

Cakes on sale at shopping centres are going well, need to sell more Puddings plus sales co-opting with Raffle sales.

Santa hire has already 10 bookings with more to come. Over \$700 raised already. Need a Santa and a driver. See Paul to assist. Wendy will make a couple more suits of good quality. Will open the Den on 10th and 17th December for people to drop off donated toys between 9-12 (due to Toyworld shutdown) and members can come down for fitting of Santa suits for Christmas Eve.

The lollies and lolly bags will be ordered this week.

Confirmed Mandurah Mail will advertise on our behalf next week.

Membership Chairperson's Report

Lion Margaret Halford

Firstly, it is with great sadness that we farewell one of our Lions Ladies, Margaret Bateman. I think you will all join with me in offering condolences to Graham and his family at this time. Margaret contributed so much of her time and energy to this Club and will be sorely missed.

Secondly, condolences must go to David O'Leary, who lost his Step Daughter recently. Our thoughts are with you David and your family.

Thirdly, I would like to say a big thank you to everyone who participated in the Garage Sale on Saturday, 19 November. Numberwise, we can do better, but overall I believe we had a very successful day. We put our name out there and with more and better advertising, we can only improve on our next one. It was successful for Membership, as we have two prospective members, Denis and Margaret Arkell. We also had a couple of visitors from the Australian Motorhoming Lions Club, Leigh and Willem Huyser. They offered assistance selling cakes and raffle tickets and will be in Mandurah until December.

The atmosphere was wonderful on Saturday, a real party feel about it. We were again fortunate to catch up with Harald Lorek and Barry Sutton, and it was really great to see them both.

Our thanks also must go to the team with the Cancer Screening Bus. This also proved very successful and I thank you all personally for giving up your time to bring the bus and the team that is required to man it. This is an extremely worthy cause and I hope we raise lots of money to keep it running.

Birthday Wishes go to the following people:

October (because we didn't have our regular meeting) - PDG Wally Barrett, PDG Neil Saunders, Lions Ron Draper, Peter Drown and Robert Kelly (who turned the big 60).

November - Life and Priviledged Member, Harald Lorek

December - Lions Dick Ingle, Evelyn Kelly, Dave Schumacher, Maxine Collinson, Wendy Milne and James Milne

HAPPY BIRTHDAY TO YOU!!!

Service Tags will be given out at the next proper Dinner Meeting to the following people:

October - Lions Denice Knight (12 years), Harald Lorek (50 years) and Dot Saunders (16 years)

November - Lions Bob Aurisch (31 years), Ray Blyth (19 years), Peter Drown (37 years) and Lance Woodhead (43 years)

December - Lions Kerry Breen (20 years), Helen Lamb (20 years) and Margaret Halford (9 years)

I would like to take this opportunity of thanking all these people for their wonderful contribution to the Lions Movement over the years, together we can make a difference.

MARKET DAY
 Sunday, 11th and 18th December 2016
 from 5.00 am to Midday
 \$5.00 per 2 x Parking Bays

GARAGE SALE AND INFORMATION DAY

Saturday, 19th November 2016

Forgot about large crowds and people coming and going at the Mandurah Lions Den last Saturday morning. Hoses that turned up got their moneys worth and more.

The hub as far as I was concerned was of course the cancer van. PDG Neil and Dot Saunders appeared to be the head honchos. They had a steady flow of customers that kept PDG Colin Beauchamp under the pump with new customers.

A young lady on the front porch of the SES building commented the lively business she had and felt the trip to Park Road was well worth the effort.

And nothing had changed for next three stall holders I questioned.

President Clive had the role of roving "banger salesperson" and they were yummy.

Inside the Lions Den Margaret Halford was holding court with two prospects. She could have easily signed up the couple she had lined up, but for a nuisance Lion butting in while she was in full speil. No wonder His Bobship is the quite mouse at home.

PDG Peter Lennox Lamb set up shop in the rear of the storage shed and made sure the all buyers paid up in full.

Barry "Bazza" Sutton and partner set up their plant shop under the trees, that made an ideal setting. Business was brisk for Bazza and they would not be taking many plants home.

The Lions kitchen was full of energetic workers making it easy going for the greasy hands.

It was a good show, the club organisers get a good pat on the back from me. Well done Lions.

FOOT NOTE:

Anton Erasmus was holding a Cricket Crisis Meeting, the main subject on the tip of his tongue was about the finger tasting from the inside of Faf du Plessis mouth.

'No', screamed Anton, "You see Faf is a Lion just like all of us and he was tongue testing Lions mints I know, I sent them to him some time ago."

"The idea was that I might be able to

set up a franchise with the little money earner.

"It had nothing to do with "Ball Tampering" I ought to know I have been in that game longer than you lot."

After that blast from the African immigrant he moved to another quarter and set up his soapbox and continued his chant, "No, all you lot have got it wrong"
