***Lion Tamer***

***Lion David O'Leary***

## **CHANGEOVER REPORT 2020**

### **PRESIDENT PAUL RIPLEY**

*Well done Paul, on a Year that was off to a flying start for you then through your illness and then the "Coronavirus", it all stopped, very abruptly, but for our club, through these unprecedented times, it has made us diversify and become stronger.*

Tonight we gather in rather bizarre circumstances to witness the installation of our board of directors for the 2020-2021 year. Normally we would be having a sumptuous dinner at a venue where Lions members and their partners along with special guests would be celebrating the 49<sup>th</sup> birthday of the Lions Club of Mandurah. But alas COVID-19 has altered the normal format and the Changeover now has to be accomplished by ZOOM.

The first half of the Lion Year 2019/2020 had gone very quickly with many projects successfully completed; however the latter half went pear-shaped where all projects ceased due to COVID-19. For me, the year was a mixed bag as I found that the first 6 months was an interesting and exacting time period, but the second 6 months was very frustrating.

During the year 3 members decided to not continue with the club, but this was overcome by us gaining 6 new colleagues. We also said farewell to our cook, Carole Webb, who decided to retire from the culinary world. Her meals will be greatly missed but the extra weight won't be.

Many thanks to all members who participated in the numerous projects we undertook during the year. I won't list them as I will leave that to the three Vice Presidents to submit them in their report and explain their details. It is sad that we did not fulfil all of our proposed assignments as they would have raised a large amount of money for us to donate back to the community and Lions' Foundations. Hopefully COVID-19 will abate and allow us to return to our projects. I am sure everyone in the club is eagerly awaiting a resumption to some sort of normal life.

I would like to pay many thanks to our Secretary, Lion Wendy Ripley and our Treasurer, Lion Rob Garratt for their sterling duties that made my life as your President much easier to perform. They continued their duties admirably even though the club was dormant regarding projects.

Another Lion who constantly contributed for the club during the year was Lion Dave Knight. He took on the role as editor for the Club Bulletin and did an amazing job. His monthly edition had about 30 pages and it enlightened us on many a subject past and present including a few yarns and jokes thrown in for good measure, well done Dave, a great year's reporting.

My congratulations go to PCC Ian Kelly OAM, on his induction into the Australian Lions Foundation Hall Of Fame. Ian is a worthy recipient of this award for his excellent service to the Lions organisation and becomes the third person to achieve this feat from our club after PDG Joseph Mason OAM and PCC Ambrose Depiazzi OAM. Again, many congratulations to Ian for a job well done.

As your President I am delighted to have been personally involved in two issues. Firstly, both BBQ trailers and the storage shed with the gas bottles has been modified to meet the Australian Standards according to Health Safety and Kleenheat. Secondly, running our own Swap Meet at Halls Head every 5 weeks where we collect money from each stall as well as the Sausage Sizzle. I will continue to be our club's representative in the coming year at the Swap Meet board meetings.

To all members and partners, I say thank you for your support during the last 12 months and I ask you to extend that same support to our incoming President John Osborne and his Board of Directors. I am sure you will all be successful.

And finally, the last quote in my term as President,

*"Work hard in silence, let your success be the noise".*

Paul Ripley, President 2019-2020

## 1<sup>st</sup> VICE PRESIDENT'S REPORT 2020

**Lion Brooke Artlette**

*As I have now completed the Lions year 2019/2020, I have pleasure in giving my report.*

*The 1<sup>st</sup> Vice Presidents Portfolio consisted of.*

- Recycling
- Lions Mints
- Christmas Cakes
- Santa Hire
- Christmas Eve Deliveries
- Safety Officer
- BBQ;s

### **RECYCLING**

On the first Saturday of each month both ends of the shed are opened, paper recycling at one end and aluminium cans, batteries etc, recycling, the other. PCC Ian Kelly, being the leader in the paper shed was able to negotiate a new contract for the collection of the wrapped papers with New Wave Acoustics, these papers would accumulate each month with between three and four full pallets being sold each month. Two times each month several Lions led by PCC Ian, would gather to work wrapping these papers. Many times, during the two weeks the paper elves, would quietly enter the paper shed and fill with stock. These Elves have done a great job all year collecting from many places in Mandurah such as, Hospitals, nursing homes, and retirement centres using their own vehicles to do this work. A big thank you to all the Elves, we all appreciate your efforts with this, income raised for these paper collection is \$2,000.00, cans and battery recycling is \$207.05

**Spectacle recycling** lead by Lion Don McCarroll is by far the quietest work achieved by our group. So far during this Lions year Don has collected more than 1200 spectacles from Optical stores and Funeral homes within the Mandurah area. These are packaged into boxes for freight to the holding and distribution centre, in Queensland for further distribution to under privileged countries that Lions International deem, the most in need. Thanks to, Lions Don McCarroll, Joyce Covell and Ruth Norwell.

**LIONS MINTS** Again Lion Dick Ingle has taken charge of the distribution and sales of the Lions Mints across the Mandurah region. Dick has managed to supply over 44 stores and outlets within the area which has seen \$4,602.15 raised. Fantastic job again Dick, this work is completed in Dick's own vehicle and at his own cost. Dick has reported this year has not really been the best year for Lions mints with some businesses not wanting to continue selling Lions mints. As a club can we all ask our friends in businesses, if they would like to help the Lions Club of Mandurah raise money for our community, let's all help to put Dick back on top of Mints seller. It has still been a great effort Dick, and I am sure the club appreciates your efforts as much as I have.

**LIONS CHRISTMAS CAKES and PUDDINGS** This is a great project and way of being seen in the community, so well done to each member that donated their time for the selling, collecting, and distributing the cakes. Again, we sold to our usual customers and increased our selling days at the Mandurah Centro and to the Retirement villages. This Lions year we increased our purchase of cakes from the previous year and the cakes sales collected \$22,372.48 for the year. The remaining cakes and puddings we had left this year, along with cans of baked beans and fruit juices were donated to Mandurah Food Bank to help with their support in the local community during the Covid19 Isolation times and to help those doing it hard. This donation in total amounted to \$2,026.41.

**SANTA HIRE and CHRISTMAS DELIVERIES** Thanks to PDG Peter Lamb who managed this project again this year. PDG Peter and his Elves visited 19 Child and Community Centres. Whilst they were having a great time playing Santa, those that assisted Peter in playing Santa helped raised \$1,575 for the club, well done to all. The Christmas Eve Deliveries was also a great time with \$1,225.00 raised, another great effort and well done to all who participated.

**BBQ's**, Between PDG Peter Lamb and President Paul Ripley, these two gents have been so pro-active in ensuring all the BBQ's, are well organised and run. Our numbers will not look anything like last years 30 BBQ's, due to the crazy times we faced with Covid-19. The BBQ's that we participated in this year were, four Madsar, five Swap Meet, Superheroes, Relay for Life, Jobs Fair, Wellness Wednesday, Mandurah Arts Festival, Rotary Golf Day, Christmas Pageant, Australia Day Breakfast, Radio 97.3 Mandurah Mitsubishi, Alcoa bushfire fundraiser and Compassionate Friends. Due to Covid-19 we had four Madsar and four Swap Meet days cancelled, along with the RSL Gunfire Breakfast and Australia's Biggest BBQ. Monies raised from these were \$4,369 from Swap Meets and \$10,832 raised from the other BBQ's. An important note to make here is that some BBQ's we did for nothing, these being Superheroes, Relay for Life, Wellness Wednesday and Compassionate Friends.

The Australia Day Breakfast, was a great day and I must thank PCC Ian Kelly and Lion John Osborne for their organisation of this event. These guys did a fantastic job and from where I participated, all I could see was our members working away and having a great time. Well done, to every member and family volunteers that came along to help. Our thanks also go to the Army Cadets who were fantastic on the day, especially after only being asked to attend at such short notice.

**SAFETY**, This section has little to report , although the first aid kits were upgraded for both the club rooms and utility trailer. This ensures we always have first aid equipment in the trailer and club house.

In closing my report, I would like to thank all our members for your participation and help throughout the year. I certainly would not have been able to manage any of this without the huge assistance of PDG Peter Lamb and PCC Ian Kelly. These Lions have been available, at the drop of a hat to help and see through projects. PDG Peter's help with the BBQ's is immeasurable, most of them would not have taken place without your organisation mate, I can't thank you enough for your efforts.

I wish the incoming 1<sup>st</sup> Vice President, Des every success for the new Lions year and I am happy to assist you where I can. To the incoming President John Osborne and the Board of Directors, may your year be a successful and happy one. Lastly to the "Elves" that do so much work behind the scenes, collecting goods for recycle, you do a fantastic job and at your own cost. You certainly deserve every possible thank you there is.

Lion Brook Arelette

1<sup>st</sup> Vice President,

Top left; The Recycle team having a break after a morning of collecting cans and paper recycling.  
Top Right; PCC Ian packing newspapers, ready for transport.

Top PDG Peter Lamb and PDG Wally Barrett cooking at a Alcoa BBQ earlier this year and above, with the troops having a break after setting up for one of the swap mete BBQ's.

## 2nd VICE PRESIDENTS REPORT 2020 *Lion Des Mclean MBE*

Good evening all

**COMMUNITY PROJECTS:** After receiving a call from the President Paul, asking me to look into a request from a lady who asked for the clubs assistance, to move some furniture out of a room so as she could get her carpet replaced. As there was some urgency and the job was far too big for me, I made a call to the men's group Squared Away. It wasn't long before two beefy blokes were there to help out and quickly, the furniture was out and on the back lawn. Thanks to the Squared Away guys who then kindly came back a few hours later to replace the furniture.

On another occasion, we again had a request to move furniture and with the assistance of PDG Peter Lamb, the job turned out to take only a five minute. She then said she was returning to Melbourne the next day and could I check her engine oil in her car which, on checking was not showing on the dipstick, so after purchasing a 5 litre drum, I topped up her oil and left her with the remainder for her trip.

**WEIGHTED BLANKET:** The Club received a request from Disability Services, who asked if we could help with the purchase of a weighted blanket for a young boy, Diego. With the help of Lion Joyce Covell, we visited the family to assess the situation and within a week our club gave the approval to purchase the blanket, much to the relief to Deigo's happy Mum.

**TYSON WILLIAMS:** With the assistance of Lion Joyce Covell we visited the home of the Williams family where one of their sons, Tyson has been stricken with a series of cancerous tumours on his spine, which has in turn caused the loss of use of his left leg. His wish was to be able to drive his own car and the Lions Club of Mandurah was approached for our assistance in purchasing a vehicle. After speaking with President Ian Derrick of the Lions Club of Falcon, who have agreed to assist us with this project when the time is right. Unfortunately, problems arose with his leg and the doctor wanted to take his leg off at the hip, but after seeking a second opinion he was put into Fiona Stanley for intensive Physiotherapy and a medication change, these doctors are now saying that they will only need to take the leg half way down the calf. Unfortunately, again, like a lot of things, the Coronavirus has stopped further progress, so now he has to wait for his operation which has now been scheduled for the 19th June 2020, so we will keep the club informed of his progress as it all develops.

**WANSLEA:** Earlier in the year I received a call from Kate Lamers at Wanslea with a request to help a family who have five foster kids, who were all in need of bicycles. I had already had very good working relations with the Bike Man located on Pinjarra Road, who had five bikes of the various sizes for these young people, which made their day when they received them. Kate was really pleased and thankful that our club could help out.

**BOOK AWARDS:** My sincere thanks to Lion Joyce Covell who organised the book awards for us this year, both of us would like to thank all those who made this project a huge success. I had the pleasure of attending two of these presentations and I was more than impressed with these school's presentation night. My only downside was I forgot where I parked my car after one of the presentations and it took half an hour to find it. I am now in the wonder years. wonder where I left my keys, wallet, car, etc

**CHILDREN OF COURAGE:** With this project, we set about finding a suitable candidate(s) for the Children of Courage Awards and after I had spoken with Hayley Latham of Muscular Dystrophy WA, we found two suitable candidates in Joshua (aged 7) and his brother William. (aged 9). Joshua has MD and his brother who has raised \$2500 through fundraising walks and holding BBQ's to support research into a treatment or cure for his brother. The Children of Courage event should have happened in May but due to the Coronavirus the event had to be postponed. The family is now in isolation on the family farm near Cowcowing, Joshua's condition makes him very susceptible to catching this disease, so his Mum has taken him bush. The paperwork's been completed for our Children of Courage, the event will now take place on the 20th March 2021,

**RECYCLING:** Past President Graham had his shoulder rebuilt earlier on in the year so he asked Lion Joyce Covell and myself to take turns in collecting papers from the retirement village on Oakleigh Drive. We also collected papers each Friday, along with the help of Lion Judi Hughes, from the Falcon Library.

President Paul also asked me to call on Lion Harald Lorek who had a bale of cans for Lions and it was a huge bale so there was a few grunts, groans and a bit of swearing but I finally lifted the bale onto my trailer, in the process i got showered with stale beer, you can't win some days.

**BORNEO LIONS VISITATION:** A while ago we had a request to host a group of Lions from Borneo, so I asked an old friend at the MOFSC to help with the use of their club boat and with my boat, Despicable, we gave them a tour of the canals in Mandurah. After the tour our guests were treated to lunch at the clubrooms, it was a successful day.

**CHRISTMAS LIGHTS:** Although not a true Lions venture I organised a Christmas lights boat trip for 100 foster kids and carers with help from some of my mates at the MOFSC, our Lions club contributed for drinks and Ice-creams for the kids, which helped make the night a huge success.

**FLAME OF REMEMBRANCE:** After months of negotiations, the idea of getting a Flame of Remembrance at the local war memorial is still in limbo after meetings with people from the RSL and the works manager from the City of Mandurah it has reached a stalemate. Dave Maps from the RSL and I visited the site and Dave drew up a plan for the intended flame site that was chosen, but we are still waiting for our request to the C of M for an estimate do the site works, to date we have not had a reply. All we asked was for an estimate of costs, we had an avenue to obtain the money.

Lion Des McLean MBE

## REMINDER

### LIONS CHILDREN OF COURAGE 2020/2021

#### LIONS DISTRICTS 201 W1 & W2 (Email received 9/06/2020)

Dear Lions

**Lion Deb Chairperson & Lion Pushpa Chairperson** would like to take this opportunity in asking for your support in making 2020/21 Children of Courage Awards Presentation a huge success. We would like all Clubs in W1 & W2 District to be able to sponsor a child, to receive a Children of Courage Award. We would appreciate if members could partake either by way of being there for the family of the child you are sponsoring or by helping out with parking, setting up, registration and catering morning tea. Indeed this will be a great team effort of Lions.

The Awards will be on the **20<sup>th</sup> March 2021 at Gary Holland Community Centre -19 Kent Street Rockingham**. Lions you have sufficient time to get to Primary & Secondary Schools or sporting organisations to get a nominee. If each Club takes an initiative to get a nominee it would be greatly creditable to the Club. If Clubs do get a couple of nominees please don't be afraid to share them with the Clubs within your Zones. If you require any further information, please free to email either Deb or Pushpa. If you require us to come and talk to your Club we will be happy to do so.

Deb **Email:** [dj138471@gmail.com](mailto:dj138471@gmail.com) **Mobile:** 0420 648 902

Pushpa **Email:** [pushparama7@gmail.com](mailto:pushparama7@gmail.com) **Mobile:** 0409 112 206

Kind Regards  
Lion Deb Jones

I asked Grandpa, "After all these years you still call Grandma darling, beautiful and honey, whats the secret?". "I forgot Grandma's name five years ago and I am too scared to ask her what it is", he answered.

*Tyson Williams, his Mum, his girlfriend and brothers enjoying a day on the water thanks to Lion Des*

## 3<sup>RD</sup> VICE PRESIDENT'S REPORT 2020

Lion John Osborne

**LIONS CANCER INSTITUTE**  
**The Mobile Skin Screening**  
**Bus on one of its trips North**

At the commencement of my term as Third Vice President I was given thirteen areas of responsibility. In some areas we enjoyed success and others were not so successful.

I believe we achieved success in the following areas, and I would like to thank those involved.

**BULLETIN.** Thank you, Lion David, for producing a bulletin that covered Club activities and brought items of interest to members regarding other Lions activities.

**HALL BOOKINGS.** Lion Rob Garratt undertook a review of all Hall Users during the year and has updated all contact details and terms of use. An electronic keypad has been installed. After initial issues this has been an advantage over issuing keys.

**MEMBERSHIP.** Under Lion Ruth's guidance a goal of introducing 10 new members was set. During the first 8 months of the year this looked achievable with 3 New Members joining and the transfer of 4 members to the club. We had several visitors to our dinner meetings who showed an interest in Lions but no commitment to joining.

Service tabs for June - PDG Garry Irvine - 50 years + Chevron, PCC Ian Kelly OAM - 47 years, Lion Brook Arelette - 3 years  
Birthdays for June Lion Barry Simms 31/5 (missed), Lion Paul Carrotts 28/6

**GUEST SPEAKERS.** Lion Evelyn presented an interesting range of guest speakers. During the year we were introduced to care packages from Operation Sunshine, youth mental health development at the peel health Hub, The life of bees, Youth Public speaking and the Lion Eye Health program.

**SOCIAL** Lion Graham organised the first social outing of the year which was a BBQ at the North Dandalup Dam. For those who attended it was an enjoyable day. He has also organised a car rally which unfortunately, had to be postponed because of the Coronavirus.

As this Lions year closes under the restrictions of Covid-19, I would like to thank all Lions who have helped to make a difference in our community by giving freely of your time, labour and means. Thank you

Lion John Osborne

3<sup>rd</sup> VP

### **FROM THE BULLETIN EDITOR**

*My thanks to President Paul and the three Vice Presidents, Lion Brook, Lion Des, Lion John and our Membership chairman Lion Ruth, for their reports monthly, these are a very important part of our Bulletin. Receiving these, when the pushy editor asks for them, makes his job easier and he does appreciate it.*

*As I have been asked to do the bulletin for 2020/2021, I would ask all members to have their input. A summary of a trip you have had, a clean joke or any interesting article that you may have seen, if you can get them to me, it would be greatly appreciated. I look forward to working with President John and the VP's next year, hopefully a year that gets us back to a little normality. Thanks again to all.*  
*Lion Dave Knight, Bulletin Editor.*

***There are also many more of our Lions in our club who have long very distinguished Lions service records, and also have many service years between them. Yes, you could say we are a lucky Club.***

### CONGRATULATIONS TO PCC IAN KELLY

#### INDUCTED INTO THE

#### AUSTRALIAN LIONS FOUNDATION HALL OF FAME (2020)

***PCC Ian joins PCC Ambrose Depiazzi (2010) and PDG Joe Mason (2002) on our Honour Board.***

Each year, usually at our MD 201 National Convention, the Australian Lions Foundation Board has great pleasure in inducting worthy Lions into the Australian Lions Foundation Hall of Fame. These inductees are Lions who have served, and are still serving their community, not only through Lions but through many other avenues. We have great pleasure in announcing that this year's recipients are: PDG Anne Jones OAM (N4), **PCC Ian Kelly OAM (W2)**, Lion Peter Boge (Q3) and PDG Bob Goldsworthy (Q3). Formal presentation will be made by the respective District Governors and State Directors at a suitable time in the future. Congratulations to all very worthy recipients

# Club Administration and Service Project Hours

## Period 1st July 2019 to 30th June 2020

Each meeting members complete a form of the activities they have participated in at Club, District and Multiple District level. The Foundations are strongly supported by elected Club Members as Directors, two of whom are Chairman.

I doubt if there is any Club within District W2 that has a greater representation of Lions supporting Lions Clubs International beyond Club level, many of whom are doing multiple tasks, and still have a strong work ethic to support Club projects.

Administration represents the running of the Club and District whereas Service Projects are community based raising public funds for the less fortunate, strictly on a voluntary basis. A \$ raised is a \$ returned to the community.

The figures below reflect the club input hours of each activity that are reported to Lions Clubs International on a monthly basis.

<b>Administration</b>		<b>Service Projects</b>	
	Hrs		Hrs
Club Management		Foundations/Institutes	
Board of Directors	210	Australian Lions Foundation Ltd	10

**NEW DATE:**

**Lions District 201W2**

**Convention 2020 - 'Vision of  
the Future' Busselton -**

**12-14 March 2021**

We hope you are able to join us at the Abbey Beach Resort in Busselton at yet another fabulous convention to learn more about Lions, hear from interesting and inspiring speakers, and enjoy fellowship with Lions from other clubs.

Additional information will be added to the conventions page as it comes to hand. You can download the Registration form and Static Display form from the Conventions page ([link below](#)).

For information about accommodation and Abbey Beach Resort, you can go to the Busselton Lions Club website convention page <https://busselton.wa.lions.org.au/convention>

# *Lions Clubs Code of Ethics*

**To Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

**Whenever a doubt** arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

**To Hold friendship** as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

**Always to bear** in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

**To Aid others** by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**To Be Careful** with my criticism and liberal with my praise; to build up and not destroy.

## A Letter from the DG to members of W2 6/06/2020

### COVID-19 Restrictions Update

Fellow Lions,

The latest revised restrictions is welcome news as it now allows meetings with 100 members or less to re-commence as long as the number of people in the space does not exceed one person per 2 square metre.

For meetings and meals, members are required to be seated (except for comfort breaks). There needs to be an adjournment every two hours for meetings and one hour for meals to allow for cleaning and to allow members to get some fresh air either on the veranda or outside. Remember, when mingling be aware, of the importance of physical distancing. Remaining 1.5 metres between people must be adhered to and members should be encouraged to ensuring good hygiene practices are used by washing their hands and commonly used areas regularly. Communal food offerings and shared cutlery are not permitted. All members should be reminded not to attend face to face meetings if they are unwell or have been in contact with someone who has COVID-19. These, along with other Health and Safety requirements as detailed by Government, need to be strictly adhered to.

The District is developing a COVID-19 plan this is a requirement. This document will be distributed to clubs and Foundations under separate cover.

If you have not done so, then I strongly urge all members to download the COVIDSafe app and ensure that you have had your flu vaccination as directed by your doctor.

Going forward, there is hope and confidence that we as Lions will continue to find new ways to put our kindness into action whilst safely supporting and serving our communities.

Finally, I continue to enjoy Lions and continue to have good health.

DG Frank Camarri
